Experience

- Assistant Professor of Oral and Maxillofacial Surgery, Mansoura University (2019- Present).
- Level 2 Clinical Coordinator Mansoura Manchester Dental Program (2020- present).
- Part time Assistant Professor of Oral and Maxillofacial Surgery, Horus University (2019- 2023).
- Quality Coordinator of Oral and Maxillofacial Department, Faculty of Dentistry, Mansoura University. (2019-2023)
- Assistant Lecturer of Oral and Maxillofacial Surgery (2016-2019).
- Clinical Demonstrator of Oral and Maxillofacial Surgery (2012-2016).

Qualifications

- BDS (2010), Excellent with honors.
- MDS in Oral and Maxillofacial Surgery (2016), Excellent.
- PHD in Oral and Maxillofacial Surgery (2019).

Publications

- **Elsheikh H**, Gadallah AM, Marzook H. Platelet Rich Fibrin Versus Beta Tricalcium Phosphate As Grafting Materials In Immediate Implant. Egyptian Journal of Oral and Maxillofacial Surgery. 2015;61(3):4033-4043.
- Abdelsameaa S, Abdel-Rahman F, Elbahnasi A, **Elsheikh H**. Xenograft Versus Graftless Crestal Sinus Lift with Simultaneous Implant Placement. Egyptian Journal of Oral and Maxillofacial Surgery. 2021 Apr 1;12(2):149-57.
- Abdelsameaa S, **Elsheikh H**, Bilal M, Abdel-Rahman F. Comparison between Immediate Implant Placement in the Aesthetic Zone with and without Socket Shield Technique. Egyptian Dental Journal. 2022 Jan 1;68(1):235-347.
- Shady M, Kandil I, **Elsheikh HA**. Radiographic Evaluation of Crestal Bone Loss For Bar Retained implant Overdenture Supported By Four Implants Versus All On 4 Screw Retained Prosthesis Int. J. Of Adv. Res. 2022 May 10: 639-646.

- **Elsheikh HA**, Gadallah AM, Mowafey B, Kandil I, Salem AS. Impact of Three Different Surgical Drilling Protocols on Early Loaded Single Implant in Posterior Maxilla: A 3-year Follow-up. The Journal of Contemporary Dental Practice. 2022 Nov 29;23(8):819-27.
- **Elsheikh HA**, Abdelsameaa SE, Elbahnasi AA, Abdel-Rahman FH. Comparison between platelet rich fibrin as space filling material versus xenograft and alloplastic bone grafting materials in immediate implant placement: a randomized clinical trial. BMC Oral Health. 2023 Dec 8;23(1):977.
- Elhadidi MH, Awad S, **Elsheikh HA**, Tawfik MA. Comparison of Clinical Efficacy of Screw Retained Arch Bar vs Conventional Erich's Arch Bar in Maxillomandibular Fixation: A Randomized Clinical Trial. J Contemp Dent Pract 2024 (Accepted not published yet).

Contribution in Thesis Supervision

- Implant placement with Horizontal Ridge Augmentation Using Decompression Technique Versus Ridge Splitting in Atrophic Posterior Mandibular Ridge.
- Screw Retained Arch Bar Versus Conventional Erich's Arch Bar in Maxillomandibular Fixation.
- Effect of adding zirconium oxide nanoparticles to printable implant overdenture acrylic resin base material. Clinical comparative study.
- Autogenous Dentin Derived Barrier Membrane versus Collagen Membrane for Guided Bone Regeneration in Immediate Implant.
- Osseous Healing in Surgically Prepared Bone Defects Using Different Grafting Materials: An Experimental Study.
- Digital Workflow Versus Functional Pick up Techniques of Two-Implant Retained Mandibular Overdenture.
- Balloon Technique Versus Densah Bur in Crestal Sinus Lift Operation with Simultaneous Implant Placement. A Prospective Study.
- Clinical Outcomes of Two Different Surgical Drilling Protocols of Immediate Loaded Dental Implant in Posterior Maxilla.
- The Accuracy of Different Cone Beam Computed Tomography Protocols in Detecting Peri-Implant Buccal Bone Defects.
- Extended Platelet Rich Fibrin in Mandibular Alveolar Ridge Splitting with Simultaneous Implant Placement.
- Extended Platelet Rich Fibrin in Lateral Maxillary Sinus Lifting with Simultaneous Implant Placement.

Certificate of Conferences Attending and Organization

- 1st Alexandria Dental Conference of Oral and Maxillofacial Surgery “ADCOMS 2015”.
- 2nd Alexandria Dental Conference of Oral and Maxillofacial Surgery “ADCOMS 2016”.
- Head of social committee of 2nd Mansoura international dental congress, Mansoura University Hotel, Mansoura, Egypt (2016).
- Cairo Consensus Conference SENAME 13th International Congress (2016)
- Head of registration committee of 3rd Mansoura international dental congress, Mansoura University Hotel, Mansoura, Egypt (2019).
- 11th International Conference of The Egyptian Association Of Oral And Maxillofacial Surgery (2021).
- Head of registration committee of 4th Mansoura international dental congress, Mansoura University Hotel, Mansoura, Egypt (2022).
- Egyptian Dental Syndicate International Conference (EDSIC 2023).
- 12th Dakahlia Dental Congress (2023).

Training Courses and Workshops

- Scientific Based Sinus Elevation Techniques and Grating On Models Resembling Live Actual Sinus Lifts with 6 total credit hours (2013)
- Comprehensive implantology course with a total of 120 theoretical and practical credit hours (2014)
- A-Z Endodontic Course “Discover Endodontic World” with 24 credit hours (2014)
- Improving Restorative Where It Matters with total 4 credit hours (2016)
- An Evening with Tarnow with 8 credit hours (2018)
- Scientific Writing: From Data Collection to Publishing Course with total 18 credit hours (2018)
- The Way from Proper Dental Implant Placement to The Final Prosthetic Driven Restoration with total 30 credit hours (2019)
- Piezoelectric Bone Surgery: Innovative, Less Invasive and Safe New Concepts in Oral Surgery and Implant Dentistry with total 6 credit hours (2019)

Training Courses (FLDP by Mansoura University)

1. Profession Behavior (2014)
2. Time and Meeting Management (2015)
3. Financial and Legal Aspects of University (2016)
4. Using Technology in Teaching Process (2016)
5. Credit Hours (2016)
6. Scientific publication (2017)
7. Scientific Research Engines and Universities Classification Methods (2018)
8. How to Write a Scientific Article (2018)
9. Research Ethics (2019)
10. Crisis and Disaster Management (2019)
11. Organizing Scientific Conferences (2019)
12. Designing Personal Websites for Teaching Staff (2020)
13. Successful Leadership (2021)
14. Concepts and nature of disability and the way of different facilities for them, especially in education (2021)
15. Preparing and designing electronic tests (2023)
16. Scholarships and the nature of studying abroad (2023)

Areas of expertise

- Oral surgery
- Oral cancer
- Dental implantology
- TMJ disorders
- Guided bone regeneration
- Guided surgery
- Laser in dentistry
- Facial trauma

Computer Skills

- Passed all the modules and obtained ICDL certification (International Computer Driving License).

Teaching Skills

- Teaching the pre-clinical and clinical practical sessions of Oral and Maxillofacial Surgery for 3rd and 4th year dental students, Faculty of Dentistry, Mansoura University from the period of 2012 - 2019.
- I have been worked as a Clinical Demonstrator in Faculty of Dentistry Mansoura University(2012-2016)
- Worked as Assistant Lecturer in Mansoura University (2016-2019).
- Worked as an Assistant Professor in Mansoura University (2019- till now).
- Worked as an Assistant Professor in Horus University (2019- 2023).

Research skills:

- Publish 4 international publication.
- Reviewer of European Journal of Dentistry.
- Member in the Editorial Board of Oral Health and Maxillofacial Research.
- Reviewer of Journal of Medical Research and Reviews.
- Reviewer of International Journal of Dental Medicine.

Language:

- Arabic: Mother tongue.
- English
